Dear Mr. Day:

This letter acknowledges the receipt of your notice of intent on December 6, 2012 and your November 28, 2012, request to transfer permit coverage under the General State Operating Permit for Concentrated Animal Feeding Operations (CAFOs), Permit Tracking Number SOPC00253, from Patricia Day to Dustin Day. Your permit application is for the operation of two poultry barns, with a total capacity of 58,000 broilers.

Upon review of your permit application it appears that you have submitted all information necessary to transfer permit coverage. Upon receipt of confirmation that the property sale has closed, the division intends to transfer permit coverage to Dustin Day; the operation name will be listed as Dustin Day Farm. Once the permit is transferred you will be required to operate this facility in accordance with the requirements of the General State Operating Permit for Concentrated Animal Feeding Operations (CAFOs), permit number SOPC00000.

Please note that you may be required to obtain permit coverage under the division's NPDES Storm Water Construction Permit if you do any construction that disturbs more than one acre of soil. More information regarding this permit is available online at <http://tn.gov/environment/permits/conststrm.shtml>, or you may contact the Columbia Environmental Field Office at the number listed below.
